FACES OF THE FORUM

EUGENY ZHIRNEL

Coordinator of the Youth Economic Forum in Petrozavodsk.

"YEF is a discussion platform for young researchers in Petrozavodsk organized since 2008. The theme of the Forum is "New economy – new opportunities". We talk about the opportunities that Russian economy and the economy in general offer for creating new projects, new businesses, for implement new business ideas."

VICTOR ZHIDKOV

Chairman of the Board of the investment bank "VESTA", founder of "Trilife" club, Moscow.

"It's guests are cool. It was great pleasure for me to be in the 'no ties' meeting with them. Active audience - this is the key to success."

ALEXANDER SVININ

Director General of recruitment company "SmartStart", board member of "OPORA ROSSII", Moscow.

"YEF in Petrozavodsk is one of the most successful platforms for entrepreneurs, young economists from regions of Russia. Quality dialogue, interesting projects, and government attention to the problems of new businesses – all that you see in the Forum. I'm looking forward to the next Forum and hoping to be able to take part."

JULIA TITOVA

Head of Russia's first charity shop "Spasibo", St. Petersburg.

"I met young participants of this event, learned about their projects, which relate directly to the region, and presented my own experience, which I hope will be of use for the Forum participants."

PAVEL BERMAN

Founder of coworking center "Zona deystviya", St. Petersburg.

"There are very good guys here, who are willing to grow and want to gain knowledge from practitioners, and YEF does gather such practitioners. I'm surprised by the quality of the Forum."

ELENA LEZZHEVA

PhD student of the Institute of Economics of Karelian Research Centre of RAS, participant of the Science platform, Petrozavodsk.

"Very interesting people, presentations. Even if the presentations were so varied, each one was highly relevant for the theme of the science platform."

VALERIA POSTOLAKIY

Student, participant of Youth Entrepreneurship platform, Petrozavodsk.

"YEF has been very interesting experience for me, because I can talk to interesting young people, share new ideas. All the information presented there is comprehensible and of great relevance for modern people."
